Event:| Eleven Boutique's Fall Preview Event

Yesterday, Eleven Boutique in Yorkville invited the Toronto Is Fashion team to preview some of their fall seasons hottest new looks. For those who haven't heard of Eleven, the boutique carries and promotes a variety of talented Canadian clothing and accessory designers, such as Lundstrom, Basch by Brandon R. Dwyer, David Dixon, Lovas, Carla Wax, and NADA. While sipping on wine and munching some very tasty finger foods, we combed through the racks admiring what the designers had to offer this season. To help us out, Eleven Boutique gave us a rundown of their Top 11 picks for fall, among them were the Basch Chic Wool Dress, Lovas's Sexy Slim Pant, Suzi Roher Statement Belt and the Fullum & Holt Classic Leather Bag.

We definitely have to give a special shout out to Eleven Boutique, who recently celebrated their one year anniversary for all the work and promotion they do for Canadian designers.
